## National Flash Mash & Cymanfa Ganu

Sunday 3 & 4 March 2012 - 12:00 noon

**Making Music Wales** and **Ty Cerdd** are inviting **singers, instrumentalists** and **communities across Wales** to join together in the **National Flash Mash** and **Nationwide Cymanfa Ganu** on the **St David's Day weekend, March 3 & 4**, as part of **Music Nation Cymru**.

**Saturday March 3** sees the **National Flash Mash**, led by **WNO Max**, bringing a medley of Welsh music, traditional and modern, plus themes from *The Marriage of Figaro* to a centre near you – where will your flash mob be...

**Sunday March 4** is the **National Cymanfa Ganu** taking place across Wales, with a host of flexibly scored traditional Welsh music made freely available, plus the newly commissioned *Making Music Overture "Traditional Values"* by Orlando Gough.

Join in massed events at **St David's Hall** and the **Wales Millennium Centre**, or organise an event of your own, inviting **your** local community to join you at your local venue or rehearsal base as part of our **Open Doors** initiative.
