## NATIONAL FLASH MASH

Music Nation Cymru  
is a celebration of live music-making across Wales,  
part of the BBC's Music Nation event,  
counting down to the London 2012 Festival.

The National Flash Mash will take place at  
12pm on Saturday 3rd March 2012.

This is the score of the vocal arrangement.  
It has suggested parts and splits - but it's over  
to you to be creative with it!

We hope you will take this as inspiration  
and get a group of singers and instrumentalists together  
to perform your own Flash Mob in your local area.

To accompany the vocal score, there will also be a  
downloadable backing track for you to use,  
and also a set of parts for various instruments  
that can be used in any configuration that you want.

In the vocal parts, small notes indicate optional extras.  
The main tune to be sung is in normal size notes.
